EXPERIENCE /

Gradient Experiential

Junior Graphic Designer / September 2019 - Present

Supervised by Art Director, works with ECD, Creative Director, Experiential Designers, and Digital Designers to design website, create pitch decks, produce graphics for printed assets, creatively support onsite experiential events, and design social media animations/graphics.

Valley Magazine

Creative Director / August 2018 - May 2019

Responsible for art and creative direction of print magazine cover, fashion spreads, and beauty/health spreads. This publication is the only entirely student fashion and lifestyle magazine at Penn State University.

Billboard

Art Intern / Summer 2018

Worked with the art department to create graphics for social media, dotcom, and publication.

Adidas

Photographer & Assistant Art Director / March 2018

Photographed and assisted with art direction for Adidas' Built to Defy Fall/Winter '18 clothing campaign that features NFL player Juju Smith-Schuster.
